Funded by the Horizon 2020 Framework Programme of the European Union

Headline: ITC Conference Grant by COST Action Mechanochemistry for Sustainable Industry (CA18112)

Description: One of COST aims is enhancing research collaborations where ideas and people can grow without borders, conference grants are provided to expand the networking potential of the Action. ITC Conference Grants provide support for conference participation of PhD students and Early Career Investigators (ECI) researchers from participating ITCs to attend international science and technology related conferences not specifically organised by the COST Action. ITC Conference Grants are designed to reimburse costs of conferences attended by eligible Action participants.

Application process and more information: More information can be found at <http://www.mechsustind.eu> or emailing the ITC Conference Grant Managers: Dr. Vânia André (vaniandre@tecnico.ulisboa.pt) and Dr. Dariusz Matoga (dariusz.matoga@uj.edu.pl). Please, include CA18112 ITC Conference Grant in the subject of the email.
